We will call your current riding instructor or prior summer camp staff for an evaluation. If you don't have a current instructor, are you close enough to Camp Tecumseh to come for an evaluation _____. Please call to make Amie Gleason or MaryAnne Hunsberger for an appointment, 765-564-2898. If you do not live close enough then you will need to find an area barn that has an instructor that can evaluate you on your riding ability. You can contact us for help in finding an instructor if needed.

Please contact Camp Tecumseh for an evaluation form to be filled out if you do not have your own riding instructor.

If you have attended Camp Tecumseh for two years of Equestrian Camp, there is no need for you to have an evaluation form filled out by your riding instructor.

Under Indiana law, an equine professional is not liable for an injury to, or the death of a participant in equine activities resulting from the inherent risks of equine activities.

I understand that my child has filled this out to the best of their knowledge.
