

Accommodations

Camp Tecumseh YMCA has 46 year-round cabins, each with a capacity of 14-15 people.

A typical River Village Cabin

A typical Lake Village Cabin

All cabins are setup dorm-style with a large, open room and built-in bunkbeds. ***We feel that this setup gives guests the opportunity to extend the experiences at camp into the cabins, facilitating group bonding and discussion.***

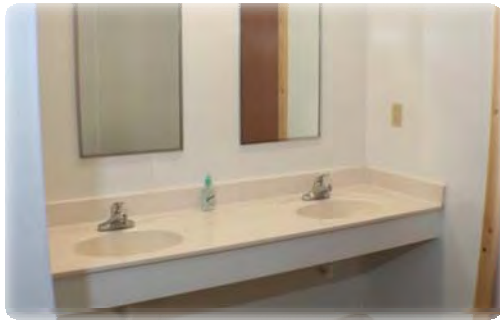

River Village Cabin

Lake Village Cabin

All of our cabins are **heated** for winter months and feature attic fans and large windows for summer months.

Each cabin has **attached bathrooms** including restroom and shower facilities.

All of our cabins are situated within walking distance of dining facilities as well as program areas and meeting rooms.
