

CAKE-EBRATION Quilt Camp

Celebrating 28 years of Friends, Quilts, Memories

October 4th-6th, 2019

The happiest moments of our lives are filled with people, music, food and of course laughter. When we gather to take a moment to show those special people in our lives how much we love them, we are creating memories. The excitement and anticipation are always a big deal, and the colorful balloons, streamers, frosting covered cake, candles, sprinkles, cards, banners and gifts bring honor and joy to the recipient! It has been said, "A party without cake is just a meeting". We have so much to be thankful for and happy about, so we decided we need to make this camp all about CELEBRATION! Close your eyes, make a wish, blow out the candles, grab a party hat, and let's get this party started. The word wishes reminds me of all the special times in our lives like birthdays, anniversaries, new jobs, birth of babies, graduation, weddings, and quilt camp. Oh Joy!

We hope you have October 4th on your calendar as we would love to have you join us. This could be the perfect opportunity for you to get away, relax, quilt, re-connect and visit with friends. Come enjoy the Fall colors, set up your machine and get creative, cuddle up for a nap, dive into a great book, or work on a jig saw puzzle. I love spending a fall weekend at Camp Tecumseh! Its home, it's beautiful, it's fun! Here's a clue about this camp's theme: What's round, covered in frosting and sprinkles, delicious, and ready for you to make a wish? You guessed it! Cake.

Nancy J will have a wonderful quilt shop set up in the lobby with books, patterns, fabric, and quilt supplies for round the clock shopping fun.

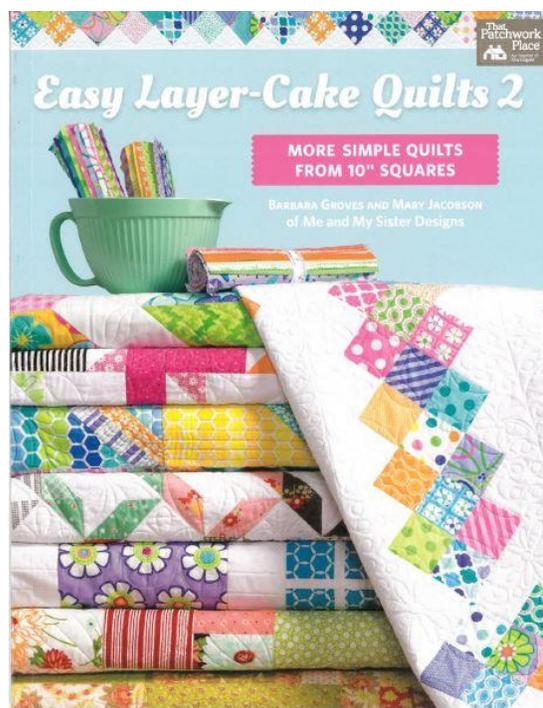

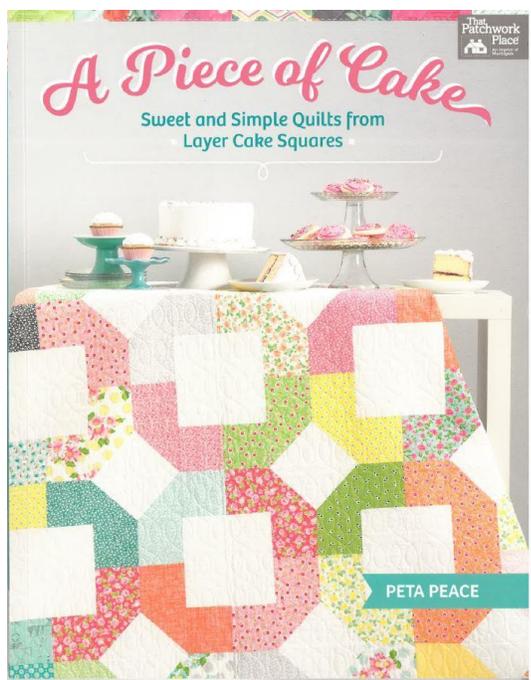

We are offering a **t shirt** at this camp, and because of the short turn around between the registration date and start of camp, we are going to ask that all shirts be ordered by Friday September 20th. It is going to be blue and will have a pretty cake design.

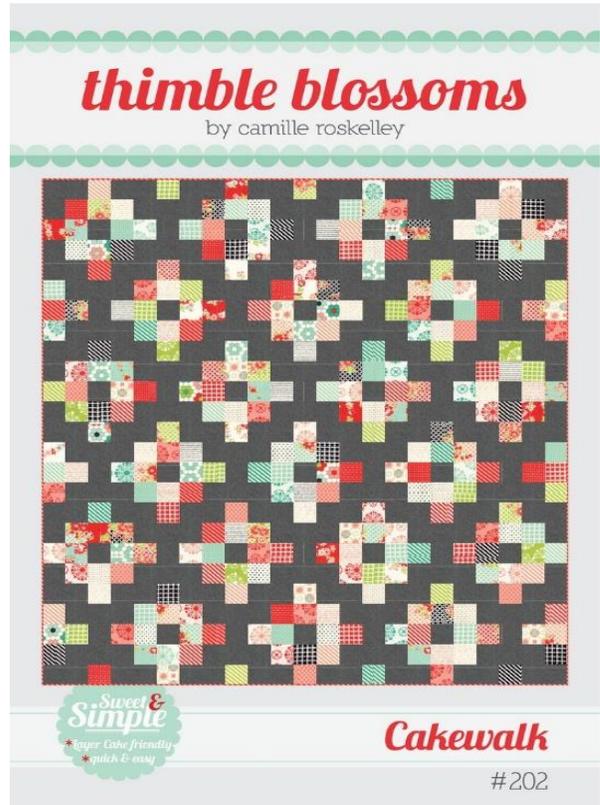

You are welcome to arrive any time on Friday to settle into your room at the Leadership Center, plug in your sewing machine, and start creating! *Early birds may begin arriving any time after 10:00 am on Thursday, October 3rd.* There will be a continental breakfast for early bird campers on Friday morning. Dinner will be served at 6:00 pm on Friday evening, and will be followed by the "official" welcome and introductions.

Look at the books and patterns we have selected for this Cake-Ebration, gather your favorite party fabric for the projects you want to work on, and then pack your bags for camp. We can't wait for you to get here!

1. A PIECE OF CAKE, Sweet and Simple Quilts from Layer Cake Squares, Peta Peace. By mixing simple piecing with 10" squares, and a pretty background fabric, you can make any of the 14 all new patterns in this book. We chose to make, Confetti and Wrapped in Love but have our eyes on several others. Every celebration needs some confetti, cupcakes, good wishes and a bit of love.
2. EASY LAYER -CAKE QUILTS 2, More Simple Quilts From 10" Squares, by Me and My Sister Designs. It's time to get the party started and whip up some layer cakes (or any 10" fabric squares) into fabulous quilts- for gifting, displaying, cuddling, or just because there's a special occasion on the horizon! Check out the "quilt recipes" for Happy Dance, Easy Bake, and Around the Block. Three cheers for layer cakes! Barb and Mary say "there's no better name for a fabric precut. It's our favorite dessert in the form of fabric".
3. PIECE OF CAKE 3, by Thimble blossoms. A simple layer cake quilt that really is a piece of cake. 63" x 74". This is the perfect opportunity to pull out that layer cake you have been saving and open the doors to your very own bake shop. Cake is the answer, who cares what the question is!
4. FRESH FABRIC TREATS, with your favorite Moda Bake Shop designers. "Sweet" will come to mind when you see the cover of this book. There are 16 yummy projects to sew from jelly rolls, layer cakes and more. We chose to make the Pack and Go Tote, 14" x 10" x 6". You can pack up this roomy bag with your sewing supplies, library books, baby gear, bible study notes, and head out for your next big adventure. You will love the exterior pockets and cozy handles.

5. **SPELLING BEE**, by Lori Holt. This is fast becoming one of our favorite go- to books. We have made “celebration” happen with our PARTY banner. You will love it! The directions are so easy to follow and the ideas are endless. We promise, you will love this book!!!!
6. **TABLE RUNNER BLISS**, by Sherri Falls of This and That designs. When family and friends gather in your home, and all eyes turn to your table, make sure it’s looking its’ best with one of these centerpiece worthy runners that will extend a warm welcome. You can celebrate the everyday dinner or a special event with just the right pattern and fabrics. Sherri offers 20 small projects for all seasons and reasons, in a variety of styles and sizes. We chose to make Mingle, as that’s what we all do at a party!!
7. **CAKEWALK**, by Camille Roskelly. 63” x 69”. A Cake walk is an easy victory, or a game where a group of people walk around a path of squares to music, and when it stops, a number is called and whoever is standing on that number wins a cake or a prize. Oh yes, we will be having a cake walk at camp! This recipe calls for a layer cake and 2 1/2 yards of background fabric. Let’s get the music started!
8. **Moda Bake Shop Layer Cake and Cupcake recipes**, right out of the Moda kitchen. There are a dozen layer cake recipes and 4 cupcake recipes that are easily assembled by sewing on pre-printed paper patterns, to make a variety of block and setting options. You choose your favorite. If you have never tried this technique, we would love to help you get started. Quick, easy and they come out perfect every time. You know, cake is happiness with icing on top! Try it, you’ll like it.
